It was such a wonderful day, and we're so thankful to have had it at your restaurant.

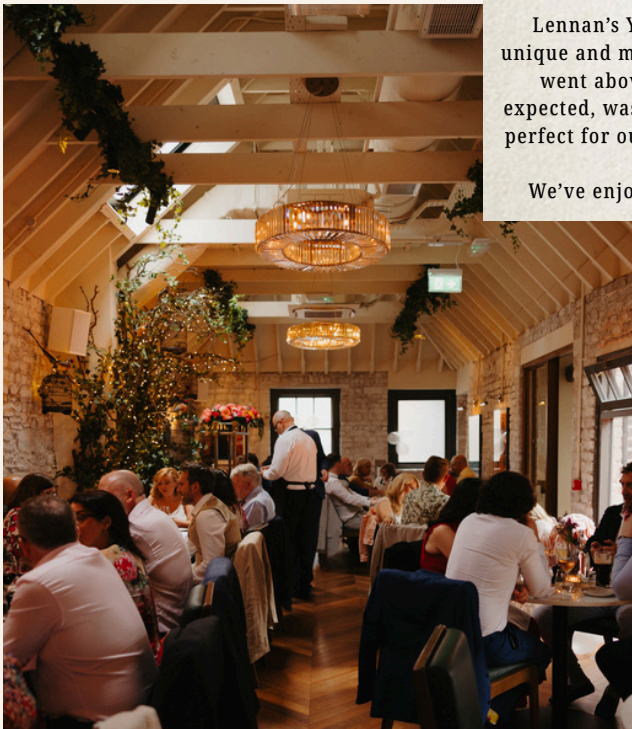

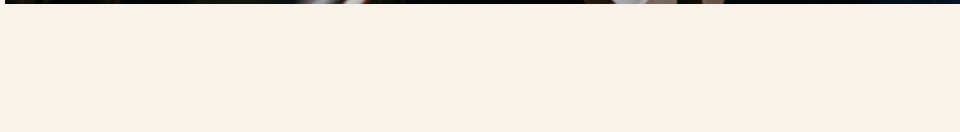

Catherine & Jason

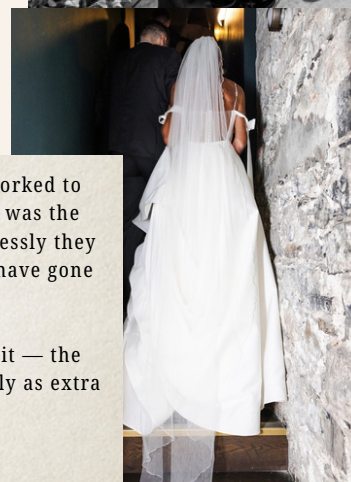

When both Paddy and I were planning our Dublin city wedding, we knew that we wanted an intimate family celebration at a venue that felt representative of us as a couple. Inspired by city style weddings after living in London for many years, we felt Lennan's Yard worked perfectly.

Lennan's Yard effortlessly weaves historical architecture, contemporary interior design and a salivating menu into a unique and modern environment for a wedding celebration. The whole team, and particularly Amanda, Shannon and Anna, went above and beyond to ensure that every last detail was perfect for our special day. The wedding menu, as to be expected, was delicious and there was a great selection of wine and champagne to accompany. The upstairs restaurant was perfect for our number of guests and later, the bar was made available to us to continue the party with some cocktails and drinks. What a wonderful day.

We've enjoyed many family and special occasions at Lennan's Yard since and hope to continue to do so in the future.

Even before our wedding day arrived, the team were incredibly helpful as I worked to create the small, intimate family celebration we envisioned. The Whiskey Bar was the perfect size and atmosphere for our day. The team were amazing in how effortlessly they transformed the space from ceremony, to dinner, to after-party — it could not have gone better.

All of our guests were blown away by the food, and the open bar was a huge hit — the Guinness and cocktails went down a treat. Our band fitted in perfectly, especially as extra guests joined us later, and the finger food was outstanding.

The staff were so attentive throughout, which we truly appreciated.

For us, we wouldn't have changed a single thing. It was one of the best days of our lives.

"We had the pleasure of having our wedding celebrations in Lennan's Yard, and could not have been happier from start to finish. When it came to planning, all of the small details and logistics were handled by Amanda who was very helpful and reassuring. Cameron and his team in the Asador restaurant were brilliant. The food and service were two stand out comments we got from our guests, and we couldn't have asked for the dinner reception to have gone any better. We booked the cocktail bar exclusively, and Anna and her team set up and decorated the space exactly as we had envisioned. The teams coordinated brilliantly as guests moved from the restaurant to the cocktail bar, and at no point was there a lull in the entire evening, none of the guests were ever without a drink in their hand and the staff couldn't have done more to ensure everyone enjoyed their night. The house DJ started around 8pm and as Amanda had reassured us, he did not disappoint and kept the party going right up until closing time. We would highly recommend Lennan's Yard, we absolutely loved our day and felt we got a really intimate wedding right in the heart of the city centre."

We recently celebrated our Wedding Day 2 at Lennan's Yard, a place that holds so many special memories for us. From buying our home to celebrating the birth of our baby, we've marked every milestone here, so it felt like the perfect choice for such a meaningful occasion.

From the outset, Amanda and her team made the experience seamless and easy to organise. They clearly explained the different areas within the bar that would best suit our needs, along with the menu choices for the day.

We were welcomed by Giovanni on arrival, who is a credit to the Lennan's Yard team. He was fantastic in every way and kept mine and Paul's drinks topped up throughout the evening. A special mention has to go to the best Hugo Spritz in Dublin!

The food was also delicious—we're still receiving compliments, especially the sliders.

Thank you to everyone at Lennan's Yard for helping make such a special occasion so memorable. We genuinely couldn't have asked for a better experience, and we can't wait for our next celebration there.

My wife and I had the day 2 of our wedding here in the whiskey bar upstairs - the whole team did a fantastic job both on the day and in the lead up to organise. They helped to manage our food and drink budget so professionally. They were so friendly to all of our friends and family, and were so flexible allowing us additional outdoor space to enjoy the good weather. On the day Thiago and his colleague were excellent - professional and friendly! Great venue and staff, cannot recommend enough

Cian & Fionnuala

We chose Lennan's Yard for the second day of our wedding celebrations because it offered everything we were looking for: a city centre location, a beautiful outdoor courtyard perfect for a warm August afternoon, and great food.

From the moment we booked, the team made the experience completely seamless. Amanda, in particular, was exceptional. Planning a wedding can feel overwhelming, but her warmth, professionalism and meticulous attention to detail meant we never had to worry. She anticipated every detail, kept everything running smoothly, and gave us complete confidence that we were in the best hands.

Our guests were welcomed with beer and bubbles, and the food was outstanding. In the excitement of celebrating the day before, we completely forgot to serve our wedding cake, but it turned into an unexpected highlight as we were able to share it with everyone on day two instead.

In the evening, their resident DJ had all of our guests up dancing again and allowed us to continue our celebrations for another night, with exactly the kind of relaxed and joyful atmosphere we had hoped to create.

We truly couldn't have asked for a better venue or team. Lennan's Yard played such an important role in making our wedding week unforgettable, and we would recommend it wholeheartedly to any couple.

Many thanks,

Cristin and Paul

We held the second day of our wedding celebrations at Lennan's Yard, and it was the perfect choice. The entire process was so easy to organize, Amanda was great and took care of everything, which made the experience so much less stressful. The food was absolutely amazing, we could not speak more highly of it, and all of our guests loved it. The staff were incredibly helpful and attentive throughout the evening, making sure everything ran smoothly. It was the perfect space for a celebration, and we couldn't have been happier with our experience, the whole process was so smooth. We would highly recommend it for anyone planning a special occasion!
