Introducing the wines of Domaine D'Alussia | Aloxe-Corton, Burgundy, France

ASADOR has teamed up with Domaine D'Alussia Wines, situated in Aloxe-Corton, one of the most prestigious parcels of land in all of Burgundy. We are delighted to be exclusively importing these beautiful wines.

The name Alussia was an ancient term for Aloxe. In 1862, the name Corton was added, and the commune is now known as Aloxe-Corton.

The wines below are excellent representations of the unique terroirs of the region, showing structure, complexity, minerality and ultimately balance.

The winemaking shows respect to Burgundy's terroir. The soils are ploughed by horse and managed organically.
